

## Safe Sender Instructions

Written by Editor

---

Here are the simple instructions:

Our Sender Name is: Penny Stock Monster and email address is [hotalerts\[at\]pennystockmonster.net](mailto:hotalerts[at]pennystockmonster.net).

Select the Add / Save to Address Book function in your email browser and follow the appropriate instructions.

### Microsoft Outlook: Sender Instructions

Step 1: From your Inbox, click `Actions`, then click `Junk E-mail` and click `Junk E-mail Options`.

Step 2: Click `Safe Senders` tab.

Step 3: Enter [hotalerts\[at\]pennystockmonster.net](mailto:hotalerts[at]pennystockmonster.net) into the email field and click `OK`.

Step 4: Click `Apply` then `OK` in the `Safe Senders` tab.

### Hotmail: Safe Sender Instructions

Step 1: Click `Contacts`.

Step 2: Click `Safe List`.

Step 3: Enter [hotalerts\[at\]pennystockmonster.net](mailto:hotalerts[at]pennystockmonster.net) into the email field and click `Add`.

### AOL: Safe Sender Instructions

Step 1: In your mailbox screen, click `Mail Options` and click `Address Book` (from the drop down menu).

Step 2: Click the `Add` button. (Looks like a Plus icon)

Step 3: Enter [hotalerts\[at\]pennystockmonster.net](mailto:hotalerts[at]pennystockmonster.net) in the `Other E-Mail Address` field and then click `Save`.

### Yahoo: Safe Sender Instructions

Step 1: From your mailbox screen, click `Addresses`.

Step 2: Select `Add Contact` from the drop down menu.

Step 3: Enter [hotalerts\[at\]Pennystockmonster.net](mailto:hotalerts[at]Pennystockmonster.net) into the email address and click `Save`.

### Gmail: Safe Sender Instructions

Step 1: Click on `Contacts`.

Step 2: Click `Add Contact`.

Step 3: Enter [hotalerts\[at\]pennystockmonster.net](mailto:hotalerts[at]pennystockmonster.net) into the email field and click `OK`.

Still having trouble? Send us an email at [info\[at\]pennystockmonster.net](mailto:info[at]pennystockmonster.net) and we'll help you.
