DEXO - Dex One Corporation is a marketing solutions company. The company offers various marketing solutions to promote businesses on the Internet, message and image creation, advertising placement and market-specific research.

The company was formerly known as R.H. Donnelley, One of the oldest companies in America, founded in 1841. Dex is still restructuring and adjusting to the digital market place. Keep an eye for Medium to Long term

.

CPSL -China Precision Steel is high precision cold-rolled steel products company based in China. The company produces precision ultra-thin and high strength cold-rolled steel. Its products are primarily used in the manufacture of automobile parts and components, steel roofing, plane friction discs, appliances, food packaging materials. This is a high margin steel business, we think the stock is very Attractive at this price.
