

Gold Bugs hit Halloween candy jar!

Written by staff

Friday, 29 October 2010 17:42 -

Hot Stock Picks Friday 10/29/10

Market is seeking direction and finding none. Trading volume is low, we see no

evidence of sugar rush, whatsoever, despite tons of candy on every trader's desk.

Cheer up it's Halloween!

Hot Stocks to Watch

These mining stocks are trading at or near 52WK highs.
