

Hot Stock Picks Tuesday 11/02/10

Mid term has never been this interesting. Many seats are up for grabs, it will be

an epic night – once again you will hear the famous phrase. 'too close to call'

over and over again.

Most 'experts' believe the results are already baked in the Market

We are not in the prediction business, however, we are traders and investors, so

we are inherently optimistic and forward looking bunch.
