Hot Stock Picks for Friday 06-10-11

Our Members made a whopping 103% since we recommended Catalyst Pharma! [\[FACTCHECK\]](#)

CPRX

is trading at all time HIGH when the DOW suffered a huge triple digit losses. Keep a very close eye on this company.

Our Pick LMLP already made 15% for our Members [\[FACTCHECK\]](#) we think new regulatory changes and their global platform makes the company still a very interesting player in this space, keep **LML** on your list.
