

### Hot Stock Picks for Thursday 06-16-11

**COIN - Converted Organics** manufactures all-natural fertilizer and soil amendment products combining disease suppression and nutrition characteristics from food waste and other raw materials. The company is reorganizing and increasing its marketing efforts.  
**The Stock is at 52WK LOWS, it could bounce back from here. Highly Speculative.**

**CPGI - China Shengda Packaging Group** provides cartons and packaging solutions to consumer and industrial goods manufacturing companies in the People's Republic of China. It provides flexo-printed and color-printed corrugated paper cartons, including single-layer paper cartons for food, drinks, and medicine; double-layer paper cartons for various industrial uses.  
**We think the stock could bounce back from here, keep an eye. Speculative.**
