

Solar downstream is going mainstream as more residential and corporate customers, specially in California and New Jersey, are re-powering the Grid. Federal and State subsidies and the new marketing/financing strategies are paying off.

Ironically most solar customers, however, will stay on the old Grid. The total installed base in the United States is still under 2%, so, the Solar Power has a lot of room to grow, large companies like Solar City, SCTY and Sun Power, SPWR are poised to benefit from the huge upsurge in demand.

Our Top 8 solar picks:-

YGE, JASO, TSL, HSOL, LDK, CSIQ, CSUN, SOL
